

TAILOR KHAY

Policies

These policies apply to all orders placed with Tailor Khay, whether in-store, by phone, or via WhatsApp/social media.

Orders & Turnaround Time

Standard turnaround time is 7 working days from the date measurements are taken and deposit is received. Orders requested in less than 7 days are treated as rush orders and attract an additional rush fee (see Pricing).

Payment

- A non-refundable deposit of 50% is required before work begins.
- The remaining balance is due before or on the day of collection/delivery.
- We accept bank transfer and cash. Card payment is available in-store.

Cancellations & Refunds

- Orders cancelled before cutting begins may receive a 50% refund of the deposit.
- Once cutting has started, deposits are non-refundable.
- Completed items that are not collected within 30 days may attract a storage fee of ₦1,000 per week.

Fittings & Adjustments

One fitting session is included in the price of every order. Minor adjustments identified at fitting are free within 7 days of the fitting. Additional changes outside this window, or changes to the original design, are charged as alterations.

Fabric & Materials

Clients are welcome to supply their own fabric. Tailor Khay is not responsible for fabric shortages discovered after cutting has begun; clients are advised to purchase slightly more than the estimated yardage. Where we source fabric on the client's behalf, a 10% sourcing fee applies.

Delivery

Collection from our workshop is free. Delivery within Lagos is available for a fee based on distance, to be confirmed at the time of order.

Complaints & Rework

If an item does not fit as expected due to a tailoring error, we will correct it free of charge. Please raise any concerns within 7 days of collection.
